GET BACKERS

Genji and Ban are retrievers. Anything from lost valuables to kidnapped kids and they will get it back. It is not easy but they have powers that are more than they seem to help.

GHOST IN THE SHELL

In the super-computerized, technological future crime is no longer just fought in the streets and in shoot-outs. It is a battle waged over the net; intercepting or providing data where needed. When live combat is necessary, agents download their psyche into ultra-powered mechs.

GILGAMESH

Dark, and mysterious are two words that might even be understatements for describing this anime. A grim future results after a powerful terrorist force transforms society into a dark place, and the fine line between justice and evil is blurred beyond comprehension.

GOKUJO SETTOKA!

Miyagami Academy is run by the student council instead of faculty and teachers. This brings the politics, logistics as well as relationships between students and day to day activities to a whole new light at this all girls high school.

GOKUSEN, THE

She's tough, talks smart and can deal with any punk she meets. Which is why Kimmiko has decided to become a high school teacher. However, she must keep it a secret that she is also the heir of a powerful Yakuza (crime syndicate) of Japan, which may or may not be too difficult with the class of delinquents she's assigned with.

GOKUSEN (LIVE ACTION)

When you have a live action performance of an anime about a teacher who is secretly the heiress to a Yakuza crime syndicate, you are in for a treat of action and comedy.

GREAT DETECTIVES

PIROET AND MARPLE

A meitantei (detective) series from the directors of To Heart and Steel Angel Kurumi. It is a story of a girl who embarks on adventures with a famous Belgian detective as also told in original works by Agatha Christie.

GREAT TEACHER ONIZUKA

MOVIE (LIVE ACTION)

The faculty hates him and the students fear him. Is Onizuka destined for greatness or the worst teacher in history? This live action take on the anime/manga classic stands on its own merits.

GUNBUSTER 2

Nona is a girl from the country looking for a job and a chance to become a space pilot. When she meets Lark, one of the elite with special abilities suddenly Nona's dream does not seem so far off. Or at least space monsters are not so far off...

GUNDAM SEED THE MOVIE I -

EMPTY BATTLEFIELD

Just like the original Mobile Suit Gundam Movies, these feature films are compilations of the Iseed TV series in a Japanese subtitled format but this time with an extra special footage not seen before on TV or DVD.

GUNDRESS

A not well-known title from animation Master, Masamune Shirou; creator of Ghost in the Shell and Applesed. This movie tells the action packed and gritty tale of policewomen turned mercenaries against the growing threat of terrorism.

GUNGRAVE

This new show with character designs by Yasuhiro Nightow (Trigun manga) and music by the music director of Trigun is full of action and Western imagery that made the Trigun series such a hit.

GUNSLINGER GIRL

A government agency is using brainwashed girls turned cyborg to fight crime and assassinate the opposition. Is there anything to these girls under the gun smoke and cute face? They have no conscience but have they anything to live for?

HADES PROJECT ZEROYMER

The fate of the world is in the hands of the new pilot of a Hakkshu; a type of highly armed mecha. This particular Hakkshu is special in that it used to belong to the Tekkoryu n organization bent on world domination, but is now being piloted to fight against them.

HAMMERBOY

This is a new feature done in the creative & unique Korean style: Some similarities to Japanese anime but different emphasis placed on story and character development. Some may find similarities in this film to early Hayao Miyazaki (Spirited Away, Princess Mononoke) works.

HARLOCK SAVG

A struggle begins when sentient supreme beings that guard a mysterious gold object, which is the key to peace in the universe, discover it is missing. The one who is called upon to retrieve it is none other than Captain Harlock, who traces its

whereabouts back to Earth. But is its power already in the wrong hands?

HARUKANARU TOKI NO NAKA

DE HACHIVOSHOU

This genre may be familiar to you all - girl gets transported to a mythical world that looks like ancient China whereupon her body is somehow imbued with powers of a legendary diety spirit. This show has new twists and new love triangles that is still sure to please fans of the genre.

HE IS MY MASTER

Izumi and Mitsuki are runways looking for work. Yoshitaka is a rich kid in need of a maid or two. What could go wrong? Oh did I mention he is a perv with a cosplay fetish? Or that the girls have a pet alligator that does too?

HELLSING

Alucard is a vigilante vampire with enhanced abilities working for the Helling Institute. With their support, he protects mankind from the evils that walk the Earth: rouge vampires only concerned about where their next meal will come from.

HONEY & CLOVER

The struggles of college life for three broke guys are captured well with many moments of laughter, romance, realism and craziness. This anime has a fresh and simple character design, in particular their new roommate who is an extremely tiny young woman.

ICHIGO 100%

Manaka Jumpi is searching for girl he met. When he finds Aya she seems to be the opposite. She can't be the same one, can she?

ILL/CKBC

Two childhood friends have been fond of playing basketball so much that when they get down to playing the game, they are bitter rivals. When they end up playing on the same team, the test to prove who is the most serious player begins

IRRESPONSIBLE CAPTAIN

TYLOR

Sometimes when you have a happy attitude and a bit of luck, nothing can go wrong. Such is the case for Justy Tylor, who joins the military for an easy life, adventure, and cheap food, and soon winds up captain of a spaceship on a mission to save Earth from aliens.

JINKI EXTEND

Nope this anime is not about new ways to impress your date, and its name refers to nothing about a persons libido. In fact it's a rather cool show about mechas fighting in Tokyo, but with an interesting twist from the usual flavor of mecha shows.

K.O. BEAST

A tiger boy, a bird boy and mermaid travel together in a futuristic world to find a mysterious treasure. They must use their clever wits and special powers in order to stay one step ahead of some mean humans who also seek the same treasure.

KAMIKAZE KAITOU JEVANNE

A magical third girl with two classmates are trying to capture her, even though they are her friends they don't know her true identity. Until they do, her duty to steal works of art are necessary to prevent demons from entering the souls of the world's great creative minds.

KANNON

Aizawa Yuaichi has returned to the town he grew up in but he has lost his memories of the past. As he meets people he knew he discovers a past far more complicated than he would have imagined.

Who sends him on this mission? His mother, of course!

DOKURO-CHAN

Angels don't usually carry around baseball bats studded with spikes. But that is the weapon of choice for lazy and irresponsible Dokuro-chan who was sent from the future to prevent a certain boy from inventing something bad. Instead of (permanently) killing him like she was supposed to she becomes a freeloader in his house.

ELF PRINCESS RANE

A truly unique and wacky anime. One day Go meets a tiny elf desperately trying to caution him about a message on a magical artifact at school. Lots of craziness ensues since he believes the world she is saying. Gotchabagoose!

ELFEN LIED

Science has been researching human-like mutants called Diclonius in laboratories. One such subject by the name of Lucy has escaped from her confinement and begins living with a young couple, who are oblivious to her deadly telekinetic skills and violent tendencies.

ES OTERUISE

In the future, corporations are the ruling power in the world and disputes are fought using psychic soldiers who are generally effective at maintaining peace and order. But anti-corporate terrorists still strike fear for those who want a different type of order.

ESCAFLOWNE MOVIE

One of the last originals in the girl-whisked-away-to-mysterious-world-and-gains-special-powers genre, this film combines amazing mecha action, beautiful music and animation, interspecies love triangles and feisty catgirls.

FAN PARODIES

Some super funny amateur parody dubs, by, for fans.

FANTASTIC CHILDREN

Tohma is about to get wrapped up in a centuries old mystery involving ancient silver haired 'children' and a search for an ultimate weapon.

FIGURE 17

This series shines. With character designs by Yuriko Chiba (Berserk, To Heart) and animation direction by Naohito Takahashi (Berserk, Steel Angel Kurumi) these hour-long TV episodes have more emotion and realism than most alien invasion anime.

FINAL APPROACH

Men in black have selected Ryo to marry Shizuka who just crashed through the window. What is this secret plan and how bad is it going to mess up his life?

FLORAL MAGICIAN MARY BELL
