

GOING TO THE COSPLAY MASQUERADE? YOU'LL NEED A BOARDING PASS!

Are you planning to attend the Cosplay Masquerade? Do you hate spending hours waiting in line to get good seats? Then pick up your "Cosplay Boarding Pass" Saturday afternoon! Here's the scoop...

WHAT DO I NEED TO DO?

1. Between 4:00 and 5:00 Saturday afternoon, visit the Cosplay Ticket Desk (in the hall outside the Main Stage doors) to get a numbered Cosplay Boarding Pass sticker.
2. Go enjoy the convention! Get dinner! Watch some anime!
3. At 6:45 Saturday evening, return to the Main Stage area and line up by the sign that matches your sticker number.
4. Follow the Gate Attendants' instructions as they allow people to enter and select their seats. Low sticker numbers will enter first for the best seats.
5. Don't have a Cosplay Boarding Pass? No worries! Just go to the "Stand-By" gate sign. There will be plenty of good seats available after people with Boarding Passes are seated.

THAT SOUNDS EASY! BUT WHAT ARE THE DETAILS?

- At 4:00 Saturday afternoon, we'll open the "Cosplay Ticket Desk" in the alcove area across the hall from the Main Stage doors (Coral Room C). Signs will be posted to help you find the right place.
- Helpful Cosplay Ticket Agents will apply a numbered sticker directly to your Convention Badge. Once you have your Boarding Pass sticker, you are free to go to other convention activities! No need to camp out in line!
- Are you a registered Dealer or Artist Alley vendor that can't leave your table to get a Cosplay Boarding Pass? Just send your Convention Badge to the Cosplay Ticket Desk with a friend. When they pick up their own Boarding Pass, they can also have stickers applied on up to four Dealer and/or Artist Alley badges.
- WE WILL CLOSE THE COSPLAY TICKET DESK AS SOON AS WE REACH $\frac{3}{4}$ SEATING CAPACITY OR AT 5:00, WHICHEVER COMES FIRST. Anyone without a sticker at that time is on "Stand-By." You can still watch the Cosplay Masquerade, but will be seated after all attendees with Boarding Pass stickers are seated.
- At about 6:45, return to the hallway outside the Main Stage. (We will NOT open the doors before 7:00, and your numbered Boarding Pass assures your seat, so there's no reason to come any earlier.) Go to the area with a sign corresponding to the number on your Cosplay Boarding Pass.
- At 7:00 (assuming the Cosplay participants are ready), we'll seat our Sponsors and Guests of Honor. (Note that Sponsors do NOT need a Cosplay Boarding Pass! They get up-front center seats automatically!)
- While the Sponsors and Guests of Honor are being seated, we'll ask for people with Cosplay Boarding Pass numbers 101-150 to come up to our "Boarding Gate" area.
- We'll allow this first group of attendees to enter and select their seats. As they are being seated, people with numbers 151-200 will be asked to come up to the Boarding Gate. Etcetera!
- **NEW FOR ANIMEIOWA 2010! LIMITED ANARCHY SEATING!** Yep! You asked and we deliver! This year you'll be able to select your own seat! But NO seat saving please, and BE FRIENDLY AND SIT NEXT TO PEOPLE! Your Flight Attendants will ask you to move in and fill vacant seats, to make room for those in Stand-By.
- If people with lower Boarding Pass numbers arrive a bit late, that's okay! They will be seated with the current higher number group. ***You can also stay with your friends who have different numbers! Those with low numbers can just move back and enter with higher numbers.***
- When everyone with a Boarding Pass has been seated, we'll seat people on "Stand-By."
